

Privacy Policy

International Association of Sports Poker and Other Games (IASP, the operator of the website <https://iasp.ge>) treats compliance with user rights and confidentiality as one of the most crucial aspects of its operations.

The website <https://iasp.ge> collects and processes anonymized visitor data (cookies) through internet statistics services (Google Analytics). The anonymized user data collected via Google Analytics is used to gather information about user actions on the site, enhance the site's quality, and improve its content.

Anonymizing personal data involves actions that result in making it impossible, without additional information, to determine the ownership of personal data by a specific user.

IASP processes user's personal data (name, phone and contact email) only when the user submits them through forms on the website <https://iasp.ge>. By providing personal data to IASP, the user expresses consent to this policy.

IASP ensures the security of personal data and takes all possible measures to prevent unauthorized access.

Under no circumstances will the user's personal data be disclosed to third parties, except in cases related to compliance with applicable legislation.

Users can seek clarification on matters related to the processing of their personal data by contacting IASP via email at in.associationgames@gmail.com.
